

After many prior discussions and plans, the partnership between Rooisand Desert Ranch and [Deep Sky Safaris](#) was formulated and finalized during April 2019. DeepSkySafaris' Mr. Faried Abu-Salih has stationed his vast range of astro-equipment at Rooisand and avails it to his customers:

"I guarantee that the southern starry sky in the Namib Desert will leave you breathless, whether you are a beginner, an amateur or a professional. You have to experience it yourself to impregnate these views in your memory - and then take home the most stunning photographs to show others. I can't wait to show you what I have experienced all those years ago during my first night in this beautiful country - as DEEP SKY SAFARIS we cordially invite you to Namibia and look forward to your visit."
