

We are proud to announce a cooperation with [DeepSkySafaris](#)!

*"I guarantee that the southern starry sky in the Namib Desert will leave you breathless, whether you are a beginner, an amateur or professional. You have to experience it yourself to impregnate these views in your memory - and then take home the most stunning photographs to show others.*

*I can't wait to show you what I have experienced all those years ago during my first night in this beautiful country.*

As DEEP SKY SAFARIS we cordially invite you to Namibia and look forward to your visit.

Faried Abu-Salih and wife, Julika Schmidt"
