ROOISAND Cabins

Due to the ever-increasing popularity of self-drive campers travelling in groups and thus more than one vehicle, we have designed and built the Rooisand Cabins to allow for social or individual self-catering camping.

10 two-bunk Cabins are available and may be occupied at random, sharing the male/female ablution block, kitchen facilities (storage, basin & gas stove) as well as a seating and dining area.

The nearby Beach Volleyball Court and natural splash pool, which also serves as a waterhole for zebra, oryx and other nocturnal visitors, offer hours of entertainment while one enjoys the magnificent surrounds and peaceful tranquillity.
