

Merry Christmas from Namibia

Dear Friends,

At the end of this turbulent and eventful year, we too will be spending a few days on holiday with family and friends, refueling our energy and preparing for a very exciting and promising new year. We wish to thank everyone that visited, supplied and supported Rooisand during the past years - we really look forward to creating an absolutely amazing 2019 with you!

Merry Christmas from Namibia

Merry Christmas from Namibia

Best wishes and kind regards
